

Help Fozzie increase his joke repertoire by sharing your best jokes with your partner.

If someone tried to 'heckle' you when you told a joke (to harass you with cheeky questions whilst you're trying to tell your joke...), what would you say to them? Come up with some witty retorts!

Where do you think Fozzie got his brown hat and spotty necktie from? What's his background story?

Disney THE MUPPETS

Orange and fuzzy, Fozzie is a bear who has dreams of stand-up stardom. He tells his very particular type of jokes (mostly unfunny) - even when he's facing ridicule from hecklers Statler and Waldorf. His trademarks are his brown hat, polka-dot necktie and 'wocka wocka' catchphrase.
